RSA5E-2-P

Speed control enables selection of the ventilation mode for periodically occupied premises.

• Casing material: Thermoplastic

	Unit of measurement	RSA5E-2-P
Phases	-	1
Minimum supply voltage	V	230
Maximum supply voltage	V	230
Power supply frequency	Hz	50
Unit current	A	2
Weight	kg	3.1
Ambient air temperature max	°C	40
Ingress protection rating	-	IP54

Dimensions
